Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The Argument Section is not fully detailed. At issue is whether ALL claims 9 - 23 are rendered obvious over the Bruce ('998) reference. However, as mapped out on page 13, only claims 9, 17, and 21 are addressed. To simplify/clarify matters, Appellants have not pointed out what is missing from the reference with regard to claims 10 - 16, 18 - 20, 22, and 23.

Appellants are given ONE MONTH or THIRTY (30) DAYS, whichever is longer, to correct the above noted deficiency to avoid ABANDONMENT of the Application.
